August 16, 2022

Dear David Marx:

Welcome back to the most exclusive community in business! On behalf of the entire Inc. team, I am delighted to inform you that EXPRESS AIR FREIGHT UNLIMITED has earned the position of No. 4,422 on the 2022 Inc. 5000.

As you know, every year for more than 40 years, Inc. has recognized the fastest-growing private companies in America. This year, the winners have, once again, set the bar very high. Companies that made the list, on average, have grown nearly eightfold since 2018. Through all of the tumult of the past year, you managed to be named among the very best America has to offer.

But you've lived that dream before. This is your seventh time on the Inc. 5000, which is a truly extraordinary accomplishment. Needless to say, making the list gets harder every year as your starting base grows.

Of the tens of thousands of companies that have applied to the Inc. 5000 over the years, only a fraction have made the list more than once. A mere less than four have made the list 7 times.

Congratulations again to you and your team. You should be extremely proud of all EXPRESS AIR FREIGHT UNLIMITED has achieved to date.

I sincerely hope I'll have the opportunity to meet you and your team at the Inc. 5000 Conference & Gala this October in Phoenix. You've certainly earned the right to celebrate.

Sincerely,

Scott Omelianuk
Editor-in-Chief, Inc. Media
